

Follett Panther[®] Barcode Scanner

**High-Performance Wireless Scanning
for Destiny Library Manager[®]**

**Flexible Scanning with
Easy Batch Interface for
Circulation Plus[®]/Catalog Plus[®]**

PANTHER KEEPS RESOURCES WITHIN EASY REACH

- **Durable:** Panther's durable and lightweight construction makes it more portable than a laptop and ideal for the library market.
- **Accurate:** Precise, fast scans, even on poor-quality labels.
- **Versatile:** Very easy to aim and scan. Panther also contains an internal pop-up keyboard and external stylus for easy data entry.
- **Reliability:** One-year manufacturer's warranty. Protect your investment with Follett's Extended Maintenance Agreement.
- **Flexible:** The Panther can be used to manage familiar PDA functions like email, word processing and more—from anywhere.
- **Visibility:** Large, vibrant color LCD display is easy to view, in bright sunlight or poorly-lit areas such as storage closets or among the library bookshelf stacks.
- **Ergonomic:** Large, external numeric keyboard makes it quick and easy to key in barcodes.

Follett Panther Barcode Scanner

Media Specialists, Textbook Coordinators, Teachers, Asset Managers—Anyone Can Use the Panther

The Panther is easy for everyone:

- Media Specialists: Circulate books or conduct inventory from anywhere.
- Teachers or Textbook Coordinators: Quickly circulate textbooks or take inventory from wherever you keep the books.
- Asset Managers: Manage and track your district's valuable asset inventory from the district warehouse to the classroom.

FOR DESTINY LIBRARY MANAGER USERS

The Follett Panther pairs the freedom of wireless access with high-performance barcode scanning and PDA technology, giving librarians, teachers, textbook coordinators and asset managers access to circulation and inventory information right from their palms!

- Customers using any module in the Destiny Resource Management Solution can access Follett's custom wireless application for circulation and inventory from the Panther.
- Perform distribution or inventory of in materials wherever they are—library, classroom, gym or store room. Scan an item's barcode and update your Destiny system instantly. Network down? No problem! The Panther's custom offline utility lets you continue to circulate or take inventory uninterrupted and upload later.
- The Follett Panther provides the functionality of a circulation desk with the added mobility, efficiency and durability.

FOR CIRCULATION PLUS/CATALOG PLUS USERS

The Follett Panther's ease of use and ergonomic design enable anyone to circulate books or take inventory from anywhere. Superior storage combined with convenient PDA functionality makes the Panther a must-have for any library.

- Circulation Plus/Catalog Plus users can execute essential inventory and circulation functions through the Follett Remote application, then upload transactions via a batch process.
- The Panther connects to your Windows Desktop or Laptop using Microsoft's ActiveSync software to allow seamless upload of data from your Panther into Circ/Cat.

FOLLETT PANTHER INCLUDES:

- Windows® CE.NET 5.0 software
- Follett Remote software
- Power supply and cord
- Rechargeable Li-Polymer battery
- Optional Dock/Charging cradle
- One-year manufacturer's warranty; Premium Extended Warranty available
